The Business Connection

November 7th-9th, 2019

Hampton Inn & Suites Tampa
5329 Avion Park
Tampa, FL 33607

Business Connection

This 2-day course will provide therapists the basics of how to start a private therapy practice incorporating hippotherapy as a treatment strategy. It will include information for administrators in the horse industry, including those currently offer equine assisted activities, how to develop/add a therapy practice or partnership with one into their current business model. Topics will include: business plan development, budget and contracts, location and clinic requirements, staffing and support personnel, CPT code and billing information, for profit and non-profit marketing strategies and more.

Course Objectives:

- To understand the process of developing a private practice incorporating hippotherapy.
- To determine the best type of business structure for your practice.
- To understand the process of developing a budget, business plan and break-even analysis.
- Discuss how to develop contracts with a variety of programs.
- Discuss the development of a wellness program for your practice.
- To understand billing reimbursement, CPT coding fees and set-up cash flow.
- Discuss opportunities on how to develop the growth and expansion of your practice.
- Review of best practices by OT, PT and ST utilizing hippotherapy.
- To understand and implement basic marketing techniques to grow your program.
- To discuss the relevance and importance of an exit plan.

Registration Information

This course is taught lecture style, with a power point, and requires attendee participation in group activities throughout. All materials are sent to the attendees electronically prior to the course. Course fees include breakfast and lunch. Indicate any special restrictions on the registration form.

Intended Audience: Occupational therapists, Physical therapist, and Speech Language Pathologists interested in starting up a private practice incorporating hippotherapy. Administrators of equine assisted activities programs looking to add/grow services by contracting with OT, PT and/or SLP professionals or adding a therapy branch to their current business model.

Cancellation Policies: AHA, Inc. reserves the right to adjust course dates, times and faculty to accommodate unforeseen circumstances including cancellation of the course due to insufficient registration up to 3 weeks prior to the scheduled start date. Notification will only be made to advanced registrants. Neither AHA, Inc. nor the host facility is responsible for any expenses incurred by registrants due to such adjustments.

Participant cancellation requests must be made in writing no less than 3 weeks prior to the course start date to receive a refund, minus a \$100 administrative fee. No refunds will be given for cancellations received within three weeks prior to the start of the course.

The curriculum may be utilized only under the conditions set forth by AHA, Inc.
